Recreation high on Council agenda

The Elk Point and District Regional Recreation and Cultural Board will be asked to pare down their 1986 budget, following lengthy discussions at Monday's Town Council meeting.

A committee recommendation that the Town serve notice of intent to withdraw from the Regional Recreation Agreement was quashed, with Council instead moving to support further operation of the Board. However, the Town is not prepared to subsidize the Recreation budget by the amount the County of St. Paul has declined to co-fund, and will ask that a new budget be prepared reflecting the decrease in operating funds.

The Recreation Board has also been asked to find a new Recreation Director, following the resignation of Linda Simpson, which takes effect May 7. Council accepted Ms. Simpson's resignation with regret, and wished her well in her new position in Grand Centre.

In other recreation-related matters, Council voted to engage the law firm of Wood and Wiebe to prepare the draft agreement for the lease of a portion of the

recreation land to the Elk Point Golf and Country Club.

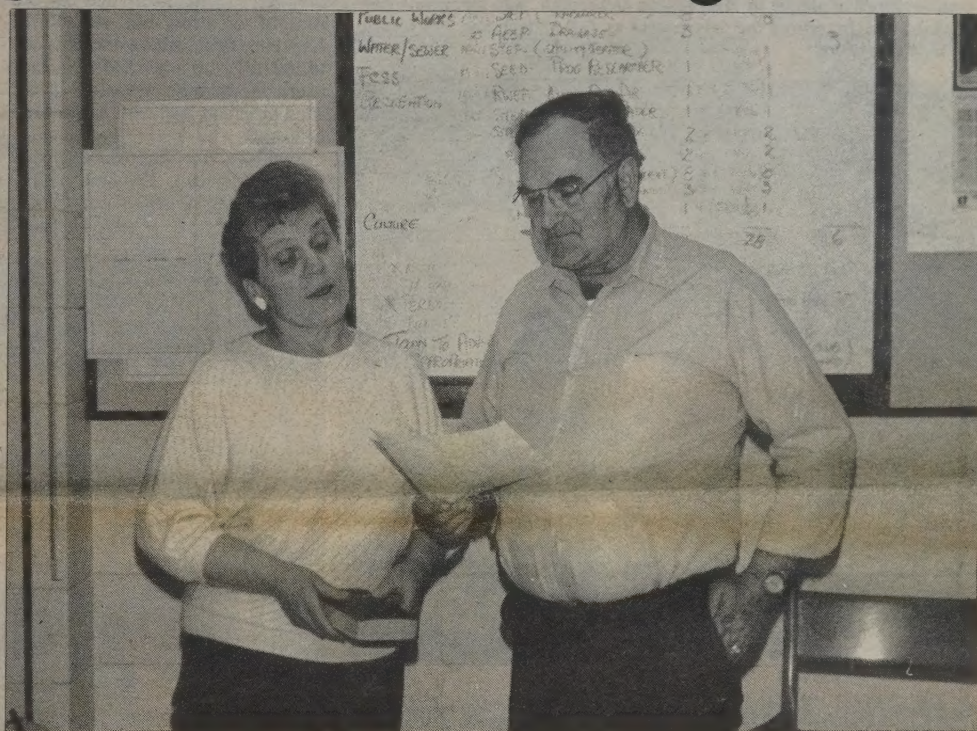

Council also moved to proceed with an application for recreation land development funding under the new Municipal Recreation/Tourism Areas Grant, which could make available a substantial amount of capital funding as well as yearly grants for labor on the project. A total of one hundred areas in the province will be designated in this program. A recommendation from MLA John Drobot will be needed to become one of the designated areas.

Information on funding under the \$40 million Canada/Alberta Northern Development Agreement has been received by the Town, and Councillor Bruce Kleeberger noted "It opens up a lot of possibilities". The information has been sent to the Finance Committee for further scrutiny.

A parcel of land in Elk Point is destined to go up for sale under the Tax Recovery Act. Council moved to advertise the parcel for sale by Public Auction as is provided for by the Act.

Council voted to discontinue their intervention in the General

(Cont. on Page 17)

NEW DEPUTY MAYOR — Alvin Schuhmacher is sworn in by outgoing Deputy Mayor Walter Lesyk at

Monday's Council Meeting. Mrs. Schuhmacher will serve as Deputy Mayor for the next six months.

About dog gone time

Elk Point Town Council took the first steps Monday evening to solve a problem which has dogged the community for years, as they gave all three readings to a new and comprehensive Dog Control Bylaw.

The bylaw gives Town officials the right to capture wandering dogs and impound them for a maximum of 2 days. If the owners do not claim their pets within the specified time, the bylaw states that the animal will be destroyed.

A number of details are yet to be ironed out, such as "Who will catch the dogs?" "Who will pay for all this?" "Where will the pound be?"

However, these questions will all be answered in the near future, and the stray dogs of Elk Point are hereby advised that their days of freedom are numbered.

WATER SUPPLY AND SEWAGE GRANT PROGRAM — Funding in the amount of \$344,594.06 was presented to Elk Point Mayor Ed Buck by MLA John Drobot recently. This brings funding received for water main and water treatment plant upgrading to seventy-five percent of the total approved by Alberta Utilities under the program.

Lions journey for sight

By Pat Vincent

The Elk Point Lions Club joined with fellow Lions around the world in 1984 by sponsoring their first Journey for Sight walk-a-thon which was

declared an unqualified success by the local Lions Club membership.

The efforts in 1985 were hampered by an uncooperative weatherman. However when the walk-a-thon was finally held the results were impressive surpassing all expectations and the totals achieved with the success in 1984.

The Journey for Sight walk-a-thon is an extension of an international program and includes such projects as the collection of eye glasses which are no longer used by the owners, the implementing and instruction of filling out eye donor cards, and also establishing eye banks in major centres.

Our local Lions Club plans for funds raised by the walk-a-thon to include transportation of eyes held in donor banks to the needy recipients located throughout the world. Another aim of the club is to raise local awareness of the contributions which can be made by Elk Point and area residents in support of the efforts to provide assistance to the visually impaired.

(Cont. on Page 17)

Highway on stream

The Town of Elk Point has been informed by the Department of Highways and MLA John Drobot, that the upgrading of Highway 41 through Elk Point has been placed on the Provincial Government tenders list.

Mayor Ed Buck told this reporter Monday evening that in addition to tenders for widening the in-town portion of the highway to four lanes, tenders for upgrading the highway from the Elk Point Town limits to the Junction of Highway 28 have been placed on the list.

Elk Point Lions Club Walk-A-Thon Sat., May 10

FORMER EMPLOYEES HONORED — Sgt. Jim Fell presents a commemorative plaque to Mrs. Leatha Ockerman, who along with her husband Melvin, served the detachment as Jail Matron and Jail Guard for nine years.

OIL PATCH CRIME PREVENTION — Earned Gordon McCuaig (right) a community service award which was presented by Sgt. Jim Fell at the RCMP Regimental Ball.

Air, water study released

Concerned area residents packed King George Hall last Tuesday night to hear the results of air and water quality studies conducted by the Lindbergh Environmental Study Group.

The air quality study was conducted on a continuous basis throughout 1985, while water testing was carried out in October of last year. Noise and dust studies were also made.

The Lindbergh Environmental Study Group consists of representatives from all five major oil companies operating in the Lindbergh Oilfield. Gary Grant of Amoco Canada Petroleum Company Ltd. was the evening's Chairman, and gave a brief overview of the formation of the group in July, 1984, with their first public information meeting held last June.

Brian Croft of Dome Petroleum explained the air quality study results. Monitoring trailers were alternately stationed at one down-wind site, on the Jerry Butz farm and at one remote location, on the Vince Lawrence farm, where data was collected. A grand total of 59,949 hourly average readings for various gases, wind direction, and wind speed were collected.

Readings for Sulphur Dioxide (SO₂), Hydrogen Sulphide (H₂S), Nitrogen Dioxide (NO₂), and Carbon Monoxide (CO) were all well below

air quality standards. Surprisingly enough, the readings for SO₂, H₂S, and NO₂ did not differ greatly between the sites. However, CO levels were substantially higher downwind.

The maximum readings of total hydrocarbons (THC) taken downwind were up to twenty times the maximum at the remote site, and total hydrocarbons were detected most of the time at both locations. However, the average THC readings, ranging from .41 to 2.2 parts per million, were lower than averages recorded in the downtown areas of both Calgary and Edmonton, as well as Edmonton residential and industrial areas.

Dust studies were also undertaken. Suspended particulates of very fine dust were made at both remote and downwind testing trailers, with little difference noted between the two sites. Larger dust was monitored at 12 roadside locations and was found to have high levels at all of these.

Joel Lipkin of Westmin Resources reported on noise monitoring. The group recently decided to study this form of pollution when it was determined that this was a major concern to area residents.

This is being done in two phases. The first phase is to gather reports from the oil companies for review and study, and is now 75 to 80 percent complete. All phases of oilfield development have been monitored in

the reports.

When the report on Phase I is complete, the group will conduct studies on areas showing unnecessary noise. They will also pinpoint problems and suggest abatement procedures.

Andy Poole of Pan Canadian Petroleum presented the findings on tests of 85 water wells made last October. This was a consolidated effort by all five oil companies, who had all wells tested by the same technician with the same techniques, with water samples tested by the same lab, for maximum accuracy. Flow rates were not checked because of advice from the consultants that this could damage the wells.

The object of the tests was to determine what formations the water is coming from and what the existing composition is. The Study Group hopes to have the wells re-checked on an annual basis to determine any changes which may occur.

Brian Croft of Dome Petroleum and Lyndon Bland of Murphy Oil were also present and helped to answer a number of questions during the period provided.

Legion celebrates diamond jubilee

By Helen Moneta
President, Elk Point Branch

On the evening of April 26, 1986, the North East Zone gathered in St. Paul to celebrate the Diamond Jubilee of the Royal Canadian Legion.

Among the participants were branches from Ashmont, St. Paul, Mallaig and Elk Point. For the occasion, a handsome handmade crest of the Legion insignia was displayed and signatures of members present were requested.

FRIENDS INDEED — To those in need, Roberta and John McGregor were thanked by Constable Doug Huskins for their help with people in despair. The McGregors were presented with a plaque at the RCMP Regimental Ball.

Caution during 4-H campaign

Transportation Minister Marvin Moore urged that motorists exercise extra caution on May 3, 1986, when members of the province's 4-H Clubs and Junior Forest Wardens are out cleaning litter from Alberta's primary highways during the 10th Annual Spring Roadside Clean-up.

"Although these dedicated, young volunteers will be wearing safety vests and bright clothing, motorists are asked to watch for these people, who will be working close to the traffic right-of-way along the highways," stated Mr. Moore. The orange litter bags used this year by the volunteers will also help increase their visibility as they work along the roads. The R.C.M.P. and the Highway Patrol Division of the Alberta Solicitor General's Department will provide patrols. The posters, safety vests and garbage bags used by the volunteers will be supplied by Alberta Transportation.

Last year, volunteers from 520 clubs cleaned almost 8,000 kilometres of Alberta's highways. More than 8,300 children, gathered 57,000 bags of litter.

In the event of inclement weather, the clean-up will be scheduled for Saturday, May 10, 1986.

Out our way

By Mildred Dunham
Ferguson Flats Correspondent

This past week has been a flurry of social events and visitors.

A group of ten local ladies are taking a hairdressing course given by "Terry" - a hairdresser from Elk Point, on Monday evenings at the Windsor Curling Rink. A few volunteers, including myself, risked being scalped and got free haircuts. The ladies all did a good job as I got a few nice comments about my hair. They have a couple of sessions to go and could probably use another round of volunteers.

On Friday, the 25th, the Ferguson Flats community put on an anniversary party for Shirley and Arnold Ockerman. Married 25 years, both being raised in the same district, and living on the original Ockerman homestead, I'd say their roots are quite deep in Ferguson Flats. Perhaps the most honored guest at the party was two week old Darcy Arnold, born April 7th to Gary & Kathy Ockerman (Gary is the oldest of Arnold & Shirley's children and also makes his home in the Ferguson Flats - Lindberg area). At the party, entertainment consisted of a couple of amusing skits and recitations by

the local ladies and children. One of the skits, the "Farm Wife of the Year Award" consisted of four contestants and four judges. The ribbon was won by Shirley Ockerman, a fifth unknown contestant. To get this recognition, she had coped with the same man for 25 years, raised five children, helped with the chores, drove for last minute errands to town, managed to get meals ready on time and recently became a grandmother. Music was provided by Marge Heffermann & Gaby Bayduza for a sing-along. A few gifts were presented, pictures taken and a lunch was served; a fun evening for young and old.

Susan Brown of Lindbergh & Terry Porcina of Elk Point were united in marriage at the United Church, April 26th. It was a double ring ceremony with four bridesmaids and four bestmen plus two flower girls. About 300 people packed into the Elks Hall for supper and then the dance. A young guest at this occasion was baby Cody, son of Sherry & Greg Maddex of Dewberry, and grandson of Barbara & Ed Koppang of Lindbergh. Barbara & Ed are also proud grandparents of baby Randy, born to son Darin & Anita.

Visitors came to many homes to

FARM WIVES OF THE YEAR — Contestants (l-r) Mary Nelson, Judy Ockerman, Gwen Nelson and Gaby Bayduza were upstaged by Shirley Ockerman, a farm

wife of 25 years standing, in this impromptu contest staged at the Ockerman's Anniversary celebration.

FCSS RESEARCH ASSISTANT/PROGRAM AIDE (1 Position)

Function: To provide support in the operation of Family and Community Support Services programs.

Duties: Conduct research into community needs, identification of programs to serve those needs and assist in design and development of effective delivery of programs to meet identified needs.

Salary: \$5.00/hour.

Education: The ideal candidate will have training in the field of social services.

Applications are to be forwarded to M. Buck, Director, Elk Point Family and Community Support Services.

Applications will not be considered complete until the applicant has registered with the Hire-A-Student office in St. Paul, Alberta.

Gift horses

In recent weeks, Albertans have been showered with announcements of endless gifts from the Province.

A long-awaited nursing home for Elk Point, a courthouse for St. Paul, and funds to aid the hard-pressed oil industry are among the benefits which will come to this area.

The timing of these announcements in the weeks preceding the May 8 Provincial Election has led some to comment that these are merely political moves, a carrot held before the susceptible noses of the voters. Does that mean that we electors are perceived as slow-witted donkeys, easily led on by the pro-

mise of more goodies to come?

Or does it mean that we, the people of Northeastern Alberta, have finally been given the much-needed facilities and aid for which we have lobbied and patiently waited?

And does it matter why this largesse has been extended to us? We need a nursing home. St. Paul needs a courthouse. The oil patch needs help to get back on its feet.

Why are we looking for motives, instead of expressing our gratitude, and allowing the future-beyond-the-election to take care of itself?

NEW LEGION EXECUTIVE — Elk Point Branch
#151 Royal Canadian Legion recently elected their 1986 executive: (front row, l-r) Murray Bent, Treasurer; Helen Moneta, President; Fred Kryvenchuk,

Secretary; (back row, l-r) Sid Holthe, Publicity; Wes Scott, Sergeant-At-Arms; Zone Commander Don McAllister. Absent: Vice-President Doug McPherson.

Recreation Corner

By Linda Simpson
Recreation Director

You can tell that spring is in the air. It looks like ball season is well underway. Slowpitch is off and running and minor ball schedules and teams are getting finalized. Of course, we are looking for volunteer help in the area of coaching and organizing the minor league.

The golf course appears to be quite busy. If you haven't been out yet, it's time to get going!

And, oh yes, I have purchased my wind surfer and am looking forward to the lakes warming up a little.

If you're wondering what to do with your time, get on your bike, take out your ball glove, put on your walking shoes, or visit the Recreation Office and we'll get you going.

Get active!
Gymnastics Organizational Meeting: Efforts are being made to form a gymnastics club. On April 30, 7:00 p.m. at the Community Services Cen-

tre, a meeting will be held to select an executive and organize incorporation forms. All interested parents are asked to attend.

Softball/Slowpitch: A "Rule Interpretation and Umpire Clinic" will be held in St. Paul on Friday evening, May 2nd and Saturday, May 3rd. For more information, phone Don at 645-4033 or Rod at 645-5313.

Ladies Fastball and Mixed Slowpitch: Anyone who is not on a team already but is interested in playing some ball, should attend a meeting at the Heinsburg School on May 1st at 7:00 p.m. For more information, phone Parrish at 943-3932.

Cookie Day: The Girl Guides of Canada will soon be out on their annual door-to-door cookie drive. Saturday, May 3rd will mark the kick-off day so watch for these girls in your neighborhood.

Fitness Workshop: The Edmonton YMCA and Alberta Recreation and Parks are sponsoring an informative,

fun, and interesting one day workshop on June 7th in Edmonton, \$35.00 is all it costs to register. Registration deadline is May 16th. Phone the Recreation Office for more information.

Bonnyville Fun Run: The Bonnyville Fun Run Committee will be sponsoring a Fun Run on May 24, 1986. T-shirts, prizes, and refreshments will be available for registrants. Featured distances include a 2 km, 5 km and 10 km route. Drop by the Recreation Office for a registration form.

Summer Scapes '86: Red Deer College is offering a visual arts adventure for youths aged 15 to 17 years. Qualified instructors will teach sessions in painting, drawing, sculpting and video. The deadline for application is June 6, 1986. The workshop takes place August 2nd to 8th. Phone 724-4074 for more information.

Have a good week!

Letter to the Editor

Stories and poems needed

Dear Editor:

For many years we prairie people have taken the brunt of a pervading negative attitude toward the prairie landscape. Many tourists travelling across the Prairies and many city dwellers living on the Prairies just don't take time to see the incredible beauty that surrounds us. Fortunately there are also many who are learning to enjoy the subtleties of the prairie landscape.

I am elated that my book *Prairie Light* is helping to change attitudes. Dave Barret admitted to his radio talk show audience "for a B.C. chauvinist like myself I realize from seeing the pictures in *Prairie Light* that there is more than one photograph of the Prairies". I received over a hundred letters from readers and have been fascinated with the way in which they have open-

ed up, telling me their stories of living in this region. A ten-year old girl sent me poetry about buffalo; an elderly man wrote to say he felt a new identity with and pride in the land.

Because of this response, I am producing *Prairie Dreams*, a second book of photographs but this time with input from people whose roots are in the prairie soil. I am inviting your readers to jot down their experiences, their memories of the early days, and what the prairie means to them. How does living on the prairie affect their lives? I want to hear about the hopes and dreams, their aspirations for the future. I have only two guidelines: people should write about their unique experience and they should write from the heart.

I want to hear from as broad a cross section as possible, including children and senior citizens. I en-

courage teachers to send me the best of their students' writing. I need the material soon. People can send their stories or poems to: Courtney Milne, R.R.#5, Saskatoon, Sask. S7K 3J8. Submissions should be typewritten and double spaced. No pictures please. They should include their name, address and postal code, occupation, age, sex, and phone number. I will inform them in December 1986 whether or not their work has been chosen. *Prairie Dreams* is slated for publication in the fall of 1987.

Who knows, maybe some folks in your area will soon be published! Thank you for printing my letter and for helping to give your readers this opportunity.

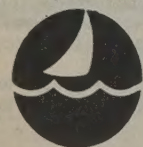

Appreciatively,
Courtney Milne
Author/Photographer

ANNA

"Second Class Mail Registration Pending"

Seniors curling

By Irene Magnusson

The Elk Point Pioneer Circle Floor Curling Club held its first ever tournament in the hall on Friday, April 25th, with 16 teams answering the invitation. Action got under way at 9:00 a.m., with coffee and snacks available throughout the day, until the finals, which wound down about 6 p.m.

The last games were quite vocal, with everyone tired from a long day, but exhilarated with the fun of the game and the good fellowship. A potluck supper followed. Trophies and ribbons were then presented to the winning teams. Sports Director Marg Clark made the presentations, adding her thanks to all who had attended to play, and to the ladies who looked after the kitchen detail.

Hand-crocheted pincushions and butterflies (made by Anne Buck) were given to the first team out (a tie). These were Elk Point - Lena Kuziw (skip), John Palinka, Marg Clark & Mary Morehead and Bonnyville - Paul Bougie (skip), Elaine Bougie, Romeo Gaucher & Eva Roux.

Winners of the B event were St. Paul (1) Diana Fontaine (skip), Joe Laramée, Betty and Bill Boorse, and also St. Paul (2) Teresa Giguere (skip), Jean Tobin, Cecile Routhier

and Robert Giguere, all receiving ribbons and Elk Point pins.

Winners in the A event were St. Paul (4th) Henry VanBrabant (skip), Yvette VanBrabant, Aime and Fern VanBrabant, trophies and (3rd) from Bonnyville, Paul Plouffe (skip), Alice Leach, L. Ouimette & Jeanine Gamache, trophies.

Second in the A event went to Bonnyville - Yvon Bordeleau (skip), Russ and Helen Gilett and Yvonne Vachon, trophies.

First prize winners were from Eastbourne - Hazel Armagost, Evelyn Reiter, Dan Smith and Adam Reiter (skip).

Mike Palinka, 1st Vice-President of the Elk Point Seniors' Club, expressed his pleasure that the visitors had come, hoped all had enjoyed the day, and invited all to return soon. A few words of welcome from the Town of Elk Point were given by Morris Cooper, councillor. All prizes were from the Pioneer Circle Floor Curling Club.

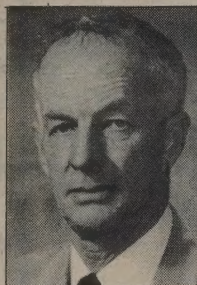

Total teams entered in the tournament were: Eastbourne - 1; Bonnyville - 5, St. Paul - 5 and Elk Point - 5, a good turnout of seniors for a first-time event, and it made a well-filled hall. Fortunately, the weather co-operated well.

FLOOR CURLING CHAMPIONS — From Eastbourne receive their trophies from Pioneer Circle President Margaret Clark (right) Curlers were Adam Reiter, Dan Smith, Evelyn Reiter and Hazel Armagost.

L.E.A.R.N. VOLUNTEERS — Were recognized at a luncheon last Wednesday in Elk Point. Here, Gail Kozicky of Lakeland College (left) and LEARN co-ordinator Heather Demchuk (right) present Miriam McCallum and Ruth Stone with commemorative certificates.

Notices & Information

PUBLIC HEARING

ELK POINT GENERAL MUNICIPAL PLAN

PURSUANT to the provisions of the Planning Act, R.S.A. 1980 with amendments thereto, notice is hereby provided that the municipal council of the Town of Elk Point proposes to pass a by-law to adopt a revised and updated General Municipal Plan.

The purpose of the General Municipal Plan is to describe the manner in which the future development or redevelopment of the Town of Elk Point may best be organized and carried out.

A copy of the proposed General Municipal Plan may be viewed at the Town of Elk Point municipal offices, 4914-50th Avenue, and may be inspected by the public during regular office hours.

At 7:00 p.m. on Thursday, May 8, 1986 the Council will cause a Public Hearing to be held in the Council Chambers at which time objections and/or comments to the proposed General Municipal Plan may be made and discussed.

For further information, inquiries may be directed to the Municipal Administrator, Town of Elk Point at 724-3810.

Dated at Elk Point this 25th day of April, 1986.

L. Patrick Vincent
Municipal Administrator

The Elk Point Municipal Library Board NOTICES & INFORMATION

1986 S.E.E.D. PROJECTS

The Summer Employment Experience Development Program (SEED) is an Immigration and Employment Canada Program operated by the federal government of Canada over the summer months. The objective is to provide short-term employment and career development opportunities for unemployed Canadians in project activities for the Town of Elk Point.

The following project position will run from May 5, 1986 to August 29, 1986. Hours of work will be 8 hours per day unless otherwise specified. Rate of pay will be \$3.80 per hour. Applications are to be forwarded to Mrs. Irene Miller, Chairman, Personnel Committee, Elk Point Municipal Library Board.

NOTE: Application deadline is May 6, 1986.

LIBRARY ASSISTANT (1 Position)

Function: To provide support in the operation and programs of municipal library services.

Duties: To conduct the Summer Reading Program and promote the further use of library facilities by community youth.

EDUCATION: The ideal candidate will have training in the field of library services.

For more information or to apply contact Mrs. Irene Miller at 724-3737.

Applications will not be considered complete until the applicant has registered with the Hire-A-Student Office in St. Paul, Alberta.

Dewberry News Roundup

By Cliff Cunningham

Dewberry Correspondent

In my Dewberry Ice Carnival news in March, I forgot to mention the ladies chuckwagon outfit with Joyce Larson, Karen Hiltz, Janice Hiltz and Debbie Hansen, and Maralyn Hiltz as driver. These ladies were dressed up in old fashioned dresses including bonnets and made good time in the race. We have their picture if anyone wants to see it.

Around sixty-five came to the Lions supper of Kentucky-fried chicken with all the trimmings on March 19th. Debbie Grey and her Grade 9 class served at the tables and cleaned up after supper. Music for the dance was by a man and woman from St. Paul.

Jerome Bentley, the District Governor, was speaking. Don Young and two other members from the Grand Centre Club and their wives were there. Cliff Cunningham, Brian Fenton and Philip Mousir, all new members were inducted into the Dewberry Lions Club. We need more members to help out so they can get the Hall finished.

Please attend our next Dewberry

School Reunion meeting on May 13th, 1986. Would the local people please register. Plans are now being finalized.

More of Dewberry and districts history taken from an old ledger: March 5th, 1910 - hail insurance discussed. R. Blair, W. Anderson and R.A. Wilson to seek an area for a cemetery. Government requested to open road between Sec. 32 and 33, also 28 and 29 Township 52 Range 4. Fire guardians discussed. Social program and lunch. April 2nd, 1910 - potatoes and oats for sale. Rural telephone enquiry started (it was not until 1916 that telephones came to this area). April 10th - proposal to join with Tring U.F.A. for a picnic. Try to establish an agriculture society. Local protest about hail insurance companies outside our province being allowed to do business.

April 30th 1910 - secretary to write to inquire about barbwire and more cemetery information. May 28th, 1910 - local gives \$15.00 in support of picnic. Committee to canvass area support of creamery. July 1st - picnic at Spring Creek. July 16th, 1910 - asking government to build a creamery and get their views. Oct. 31st, 1910 - R.A. Wilson delegate to Ottawa. Box Social to raise funds for delegate. Some

members enquire as to delay of cemetery information.

More meetings took place between dates, just the important viewpoints given. Jan. 21st, 1911 - annual meeting. R. Wilson, Pres.; W. Anderson - Sec. Some cemetery shares applied for April 11th, 1911. For Sale: 100 bushels of seed oats at 40 cents per bushel. Resolution in favor of compulsory hail insurance from Strathcona Local. Edmonton Local endorses it. Debate held and resolved that grain growing is more profitable than mixed farming. Affirmative speakers: A. Tonkin, F. Applegate, J.E. Anderson, W.R. Hensel. Negative speakers: W. Anderson, T. Thomas, R.A. Wilson, A.B. Craigie - no decision.

Jan. 1912 - request for burial of Andy Woods' father in new cemetery. N.E. corner of N.E. 10-54-4 - ten acres to be surveyed and committee formed. Feb. 1912 - Dept. of Public Works letter re telephones. Much work ahead and can't get to it yet. Working in the Islay and Vermilion area.

This history is up to page 36 in the minute book - more to come.

Our weather last week, low 4 degrees above to 54 degrees above F with a light rain on April 16th and 1 inch of snow April 20th.

An important message from Alberta Health Care:

We may be able to help

An important delivery is coming soon from the Alberta Health Care Insurance Plan. We're mailing out premium subsidy application forms to your home or workplace.

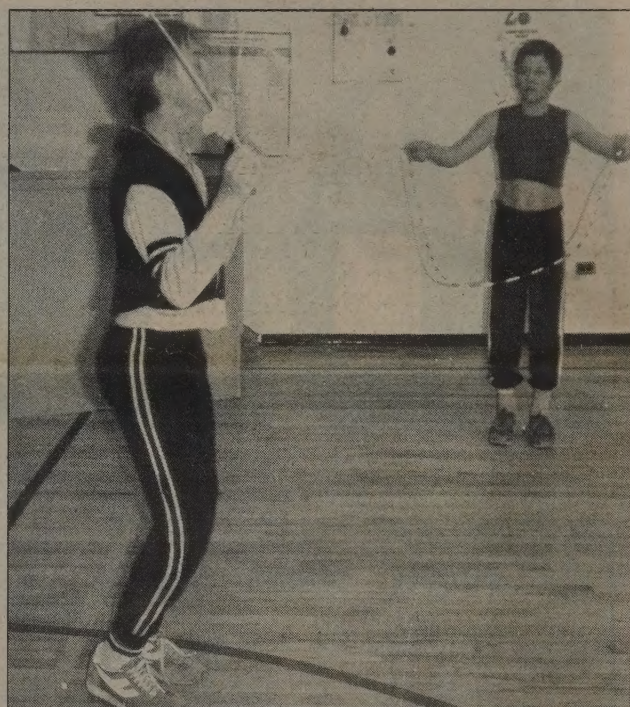

If you're having difficulty paying your premiums, check to see whether you qualify for subsidy. If so, apply promptly.

Questions? Problems? Call us. In Edmonton, phone: 427-1432. In Calgary, call: 297-6411. Elsewhere, check the Government of Alberta listing in your AGT directory for toll-free access.

Clandonald News

Annual meeting for LAB

By Shirley Osinchuk
Clandonald Correspondent

We wish to express our sympathy to the family and friends of Paul Ziomek, who passed away recently.

The Clandonald Local Advisory Board met for the Annual Meeting on Tues., April 22. There was only a small turn-out. The new L.A.B. elected consists of John Lawrence, Gerry McGuckin, George Convey, Dever DeFord, Tony Lawrence, Lubie Parchewsky and Shirley Osinchuk. The L.A.B. meets every second month, the next meeting being on June 24. All meetings are open to anyone wishing to attend.

The Agricultural Society Lottery was won by John Rebryna of Derwent.

On April 23, the Fish and Game Society and several Clandonald and Dewberry area residents met at "the old fishin' hole" to buy their 6 rainbow trout to stock dug-outs. Now these little fish have to be left four months to grow before the fishing begins.

Clandonald students and parents saw a live theatre production of "An Aztec Legend" in the school gym on Thursday, April 24. The Chinook

Touring Company from Edmonton, a professional company, presented the play. All year the students have fund-raising projects to raise the money to bring in theatre groups. Otherwise they might not have the opportunity to see live theatre.

The 4-H Club members will be out picking up garbage along Highway 45 on Saturday, May 3. Watch for their bright orange vests, and slow down, please. Thank you to these good citizens for picking up what the rest of us toss out car windows.

The Teen Fellowship will be going bowling on Friday, May 2nd. Sunday worship at the Bible Fellowship Church will be changed to 10:00 a.m. starting May 4th.

Regular meetings next week are: Agricultural Society on Monday, May 5; C.W.L. on Tuesday, May 6; Seed Cleaning Plant Directors on Tuesday, May 6; and Knights of Columbus on Wed., May 7.

I came across this quote, suitable for November, but applying to this spring: "Nothing in nature is more beautiful than one snowflake, but unfortunately they seldom come that way."

YOUNG VIOLINIST — Joseph Hertz of Derwent entertained at the Ukrainian Dance Concert last week, backed up on guitar by Barry Hertz. Joseph was one of the ACT Search for Talent winners in Elk Point recently.

GRADUATING DANCERS — Anna Fedorus and Glenna Grykuliak are presented with farewell gifts by Dwayne Vogel, as Ruth Vogel looks on.

MUSICAL INTERLUDE — Don Buryn's Grade 8 & 9 Band set the mood for the second half of the concert with a series of instrumental numbers.

ON MAY 3, OVER 9000 YOUNG PEOPLE WILL BE CLEANING UP ALBERTA'S HIGHWAYS.

Every year on a Saturday in May, a group of young Albertans make a special effort to clean up Alberta's highways.

Over 9,000 members of our 4-H Clubs and Junior Wardens will take part in removing the litter left along Alberta's roadsides by careless motorists. Almost 8,000 km of provincial primary highway right-of-way will be cleaned and about 57,000 refuse bags will be filled.

Saturday, May 3rd, is the big day.*

Although these young people will be wearing safety vests and bright clothing and supervised by their parents and leaders, you, as the operator of a vehicle that day, must be extra cautious.

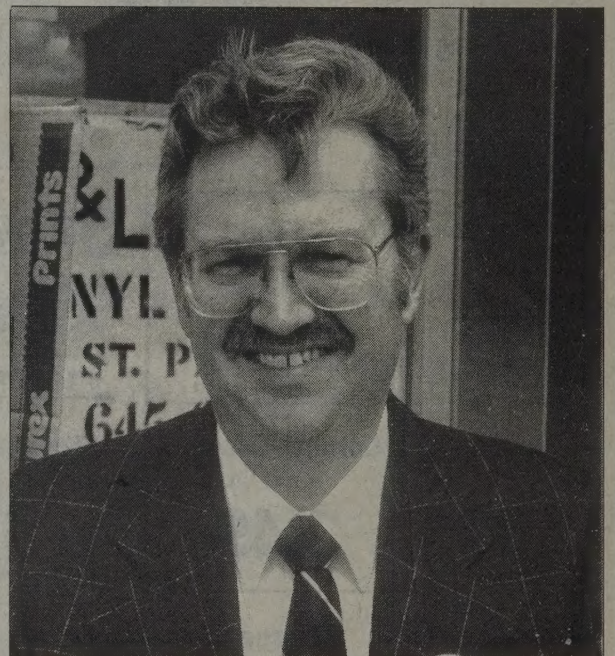

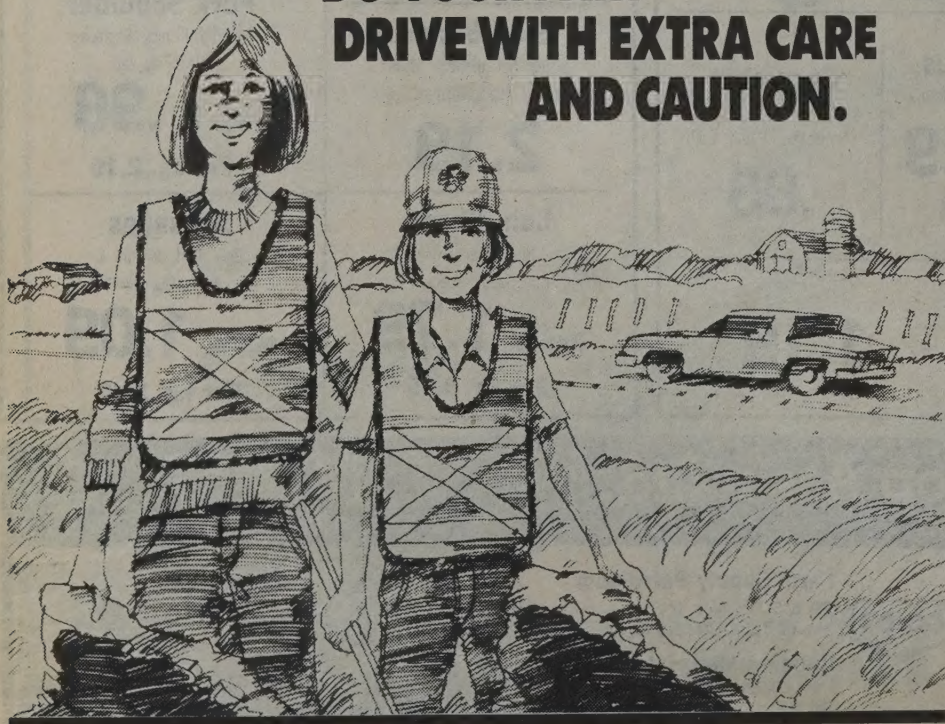

Please do your part. Watch out for our young volunteers! Look for the road signs! Drive safely while these young people are on our highways.

Wes Moore
Minister of Transportation

Alberta
TRANSPORTATION

* In the event of inclement weather, the clean-up will take place the following Saturday, May 10th.

Concert celebrates Ukrainian heritage

BUDDING BALLERINAS — Elizabeth Ludlage and Kara Serniak demonstrated the dainty art of ballet at the Ukrainian Dance Concert.

INSTRUCTORS HONORED — George Orlecki and Joanne Ternovoy were presented with year-end gifts by Cathy Buck, Jean-Paul and Kathy Hurtubise. The group also said farewell to the Hurtubise children, who are moving to Bonnyville this summer.

Twenty-eight colorfully costumed dancers pranced their way through a lively celebration of their heritage April 20, as the Elk Point & District Ukrainian Dance Club presented their seventh Annual Spring Concert.

Eleven varied numbers were performed by the four groups of dancers, who range from preschoolers to teenagers in their final year of high school. Costumes showing evidence of countless hours of patient needlework added to the authenticity of the dances.

Anna Fedorus announced each event in English, with Glenna Grykuliak making the identical announcement in Ukrainian.

The concert was opened by the varied rhythms of the Pryveet, in which all dancers took part, and which ended in the ceremonial welcome, the presentation of bread and salt.

Six Beginner Girls skipped gaily with pink cheeked enthusiasm to "Young Robins", while the five Group IV dancers in elaborate vests and handmade leather slippers performed the "Horianka". Five Group II dancers put spring fever to music in the "Detochay Tanuk".

Departing briefly from the Ukrainian theme, the audience enjoyed a dainty ballet by Elizabeth Ludlage & Kara Serniak.

Winding up the first half of the concert were the twelve young ladies of Group III with the Hutsulskyi, and the Beginner Girls with a dance fittingly called "Six Little Ones".

Following a brief intermission, the audience was treated to a musical interlude featuring the Grade 8 and 9 Band, followed by Group IV with the lighthearted "Kozyachak" and Group III with the "Metelysia".

A guest from Bonnyville, Reverend Hohol, played two melodious selections on the bandura, the many stringed national instrument of the Ukraine. Group II kicked up a storm to the "Anoo Poholayema", while Group III extolled the perpetuation of beauty to the fast music of the "Lastiwka".

The afternoon's final guest was eight year old violin virtuoso Joseph Hertz of Derwent, whose lively music paved the way for a number of presentations.

The raffle draw winners were Art Bird of Onion Lake, winning the television, Eddie Hillebrand of Fort McMurray winning a painting by Ralph Kryvenchuk, and L. Coates of Onion Lake winning a Ukrainian design soup tureen made by Linda Piotrowski. Jodi Vogel presented the UFA trophy for ticket sales to Kim Bugera, who sold 26 books of tickets.

Lori Porcina was the door prize winner. Presentations were made to instructors Joanne Ternovoy and George Orlecki by Cathy Buck, Jean-Paul Hurtubise and Kathy Hurtubise. Graduates Glenna Grykuliak and Anna Fedorus, who are leaving the club this year, were presented with gifts by Dwayne Vogel.

The final dance, by four dancers of Group IV, the Poltaysiki Tanye, was followed by the introduction of all the dancers.

LIBRARY VISITORS — Fifth grade students from Elk Point Elementary School were shown around the Elk Point Municipal Library by Lena Stepa. For some,

it was the first visit to the new library, and for all, it was a pleasant outing.

Photo by M. Dunham

Rehabilitation work on Willingdon subdivision

The federal government's \$13.6 million railway branch line rehabilitation project on the CP Railway Willingdon subdivision will conclude this year with resurfacing work.

In making the announcement today, Transport Minister Don Mazankowski said the work will cover 56.7 miles on the eastern portion of the subdivision between Lloydminster and Derwent. The west end, covering 83 miles between Derwent and Star was done in 1980.

Bank widening and drainage were done in 1984 and ballast and tie work on the line were completed last year, the minister said.

The Willingdon project, said Mr. Mazankowski, represents one portion of federal expenditures for 1986 alone, totalling \$96.3 million.

"This funding represents a major upgrading of western Canada's branch lines and means that we will have, upon completion of all the work, a more effective and reliable grain handling system, giving producers more assurance that their grain will reach export markets efficiently," said Mr. Mazankowski.

LIBRARY BOARD MEMBERS — Lena Stepa and Ila Borowski were recently presented with engraved plaques honoring their years of service to the Elk Point Library. Librarian Doreen Mayner makes the presentation. A third plaque recipient, Anna Mae Warren, was not available for the photo.

FLOWERS FOR VOLUNTEERS — Doreen Mayner presents bouquets to Lena Stepa and Ila Borowski as a token of thanks for their many hours of volunteer work at the Elk Point Library.

Meet Martin Naundorf

NEW DEMOCRAT
CANDIDATE,
ST. PAUL
CONSTITUENCY

Martin Naundorf, born and raised in the St. Paul area is a product of this community — a hard-working farmer, husband and father of four who has participated in the community at many levels. He has been involved with the NFU as President, worked with youth in basketball and hockey, and is the president of the St. Paul New Democrats Constituency Association.

Like many farmers, Martin has had to supplement his farm income as a wage earner though he believes that fair prices for farmers would alleviate the need for off farm employment. This would free jobs for non-farmers and assist townspeople battling unemployment.

Representation is more than just a claim to Martin, it is a lifestyle. He has made himself available to constituents long before his candidacy in this election for M.L.A. His concern has been repeatedly demonstrated by his willingness to be of service to people in this constituency by helping solve their problems — through writing letters on their behalf, and by bringing their needs to the attention of the Legislature.

Martin believes in fair and equal representation of constituents and will make it his full-time concern if elected as M.L.A. Regular office hours and public meetings throughout the constituency after each sitting of the legislature will make him accessible and accountable to the people of this constituency — the people he wants to represent.

The New Democrats are the only political party to face the Tories in every Alberta constituency. This full slate shows the New Democrats' determination to be available to the people of Alberta and their willingness to help create a prosperous Alberta for all people and not just the rich and powerful.

In the St. Paul Constituency, Martin Naundorf with his many years of political experience and practical success will continue to help constituents have a voice — no matter what party policy.

If you wish to meet or talk with Martin

GEORGE MICHAUD

George shares the plight of farmers. He parallels the problems of the small farmers with those of the Third World — "big guys" overpowering the "little guys". I know George will support us in our concerns. I'll give him my vote.

Card of Thanks

We, the Family of the late FRANK BROWN, would at this time, like to thank everyone who gave personal assistance, those who prayed for us, sent flowers or cards, brought food and those who helped in any way at all, during our terrible time of loss and bereavement.

Special thanks to Rev. Sam Donaldson, for his kind words and prayers and to Yewchin's Funeral Chapel, for a well organized service. Thanks to Gabe Bayduza and Choirs from the United Church and also from the Mennonite Church of God from Dewberry.

Thank you all, for any kindness rendered to us - The Family: Lloyd & Yvonne, Carol & Dale, Joanne & Fred, Raymond, Lindsay & Vicki.

We would also like to thank all those who gave their time, money, material and prayers, when we lost our home and all our possessions to fire last November.

AN ODE TO FRANKIE

Frankie, why did you
Have to leave us so
Suddenly.
The pain, the emptiness,
Lord, it hurts so much.
It's hard to bear
And harder to understand,
That we'll never see that
Smile or twinkle
In your eyes.
The laughter you shared
So freely.
Oh, God, we miss you so.
The light's gone out
In our hearts for now
But someday we'll understand
And the light WILL
Shine again.

Written with love
Your aunt
Judie

Obituary

ROBINSON, Mabel

On April 22, 1986 Mrs. Mabel Robinson of Elk Point passed away at the age of 89 years.

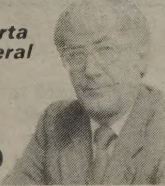

She is survived by 2 daughters: Mrs. Verdella Povaschuk of Elk Point and Mrs. Dorothy Myshaniuk of Whitecourt, Alberta; 14 grandchildren and 16 great-grandchildren; daughter-in-law, Ann Robinson of St. Paul; and by numerous nieces. She was predeceased by her loving friend and by her son Norman.

Funeral services were held in the Elk Point United Church on Thursday, April 24 at 2:00 p.m. Pastor John McGregor officiated, followed by interment in the Elk Point East Cemetery.

Park Dale Funeral Home Ltd., St. Paul

GEORGE MICHAUD

Through his business and community work I've known George to be a friend of the native people. He deserves my support.

UGG donates to community

ELK POINT & DISTRICT AGRICULTURAL SOCIETY — Representative Glen Flanders is presented with a donation by Steve Seniuk on behalf of the United Grain Growers.

ELK POINT MUNICIPAL HOSPITAL AUXILIARY — Representative Violet McFadyen accepts a donation from United Grain Growers Local #442 Chairman Steve Seniuk. UGG makes a number of donations to worthy organizations in the area each year.

ELK POINT CURLING CLUB — Was also a recipient of a United Grain Growers donation. Debby Orr of the Curling Club accepts the gift from Steve Seniuk.

Application Update

A public hearing has been scheduled by the ERCB for June 3, 1986, in Elk Point to discuss PanCanadian's application to develop a commercial oil sands scheme to be located east of Elk Point. If no interventions concerning PanCanadian's application are received by the ERCB by **May 20, 1986**, the hearing will be cancelled.

On February 3, 1986, PanCanadian Petroleum Limited applied to the Energy Resources Conservation Board for approval of Phase 1 of their commercial oil sands scheme. In an effort to provide as much advance notice as possible, the ERCB advertised receipt of the application on February 26 and on March 5, 1986, and at the same time scheduled a public hearing to be held in Elk Point on June 3, 1986.

On April 18, 1986, PanCanadian submitted supplementary information to the ERCB to support their application. The ERCB is now satisfied that their application is complete. Copies of the application and supplementary information are available from PanCanadian Petroleum Limited, c/o M. Metwally, Box 2850, Calgary, Alberta, T2P 2S5. In addition, a copy is available for viewing at the Energy Information Centre, Elk Point Municipal Library (724-3130).

School bus safety measures

By Honourable Marvin E. Moore
Alberta Transportation

Transportation Minister Marvin Moore announced recently additional provincial initiatives to increase the safety of school bus operations.

In August of 1985 the Minister of Transportation announced a number of new initiatives aimed at improving school bus safety. These initiatives included: the installation and mandatory use of the eight light warning system and stop arms on school buses by September, 1st, 1987; increased

penalties for driver infractions while operating in the area of school buses; and an increased emphasis on school bus driver education.

Mr. Moore said that he has again reviewed all school bus operations with respect to safety and has taken into account the circumstances in the recent tragic accident in the Lethbridge area which claimed the life of a school bus driver.

As a result of this review the following new action will be taken:

1. Effective this spring the Department of Transportation will erect yield or stop signs at all rural intersections on school bus routes in Improvement Districts throughout the province where such signs do not now exist.

2. In addition, Alberta Transportation will ask all rural Municipal Districts and Counties and all Urban Municipalities with rural intersections to erect stop or yield signs on school bus routes as soon as possible and not later than the fall of 1987.

Mr. Moore said that in order to assist municipalities to undertake this work the Department of Transportation will supply the stop or yield signs without cost to the Municipality with the Municipality supplying the posts and undertaking the installation and maintenance.

3. The Minister also said the very successful program of clearing brush from intersections in rural areas will be continued in the winter of 1986-87 in Improvement Districts and rural Counties and Municipal Districts.

4. Mr. Moore said he will be contacting all school bus operating authorities in Alberta and will be asking them to make it a mandatory condition of employment that all school bus drivers wear seat belts.

The Minister said it is important that school bus drivers be protected from serious injury so they can maintain control of evacuation and other emergency procedures in the event of an accident. The bus drivers have little or no protection from their position in front of the bus.

5. The Minister also said he will be further reviewing the School Bus Driver Improvement Program to see what action, if any, can be taken to ensure a greater number of school bus drivers are enrolled in the program.

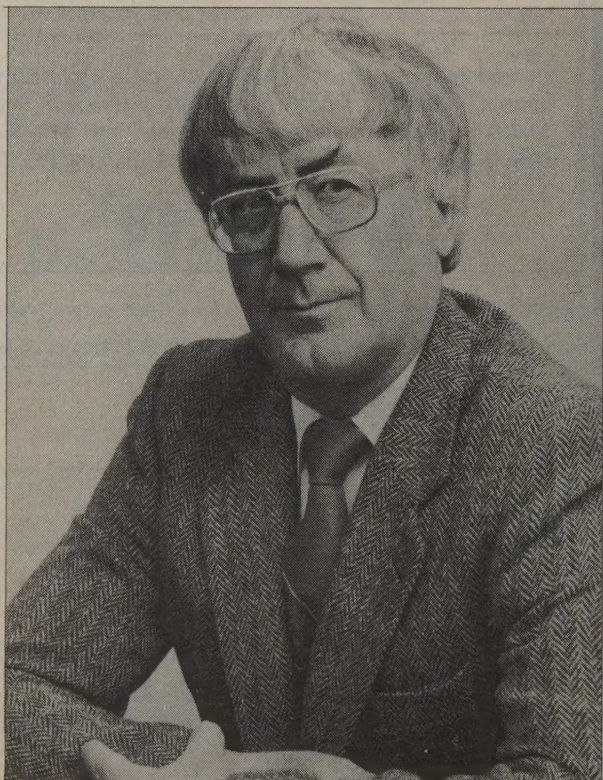

While there has been an increase from 25 per cent to 75 per cent of all drivers taking the program, the Minister said it will become mandatory next year unless at least 90 per cent of all drivers have taken or are enrolled in the course.

Mr. Moore concluded that he would welcome further comments from school bus drivers, operating authorities and the public on any additional measures which should be taken to improve school bus safety.

MICHAUD ON THE LIBERAL CAMPAIGN TRAIL

Michaud Meets Farmer Neighbor

FARMER: We need economic stability in the agriculture field. What will be your action on behalf of the farmers?

MICHAUD: We need economic diversification. We need to move from growing and shipping to growing, processing and shipping a value added product. We need to stabilize the agricultural economy and create agriculture-related jobs.

FARMER: Well good, if I can last that long.

MICHAUD: The Liberals have a plan to make sure you do. Our policy will be:

1. To relate repayment terms to the income available to the farmer.
2. To remove provincial tax from fuels and fertilizer.
3. To establish a Debt Adjustment Board so that no owner-occupied farm could be foreclosed without arbitration.

Michaud Meets Mary

MARY: How do you plan to deal with matters of primary concern to women?

MICHAUD: A women's council, representative geographically, socially and economically of women in Alberta, will study, analyze, comment upon and recommend action.

MARY: As a working parent I expect affordable, stimulating and secure environment for my children. Do you support my concern?

MICHAUD: Alberta Liberals will initiate an immediate review of standards, availability, monitoring, funding and professional support for all after-school and day-care programs.

MARY — I would appreciate this kind of support from a government.

Michaud Meets Educator

EDUCATOR: I'm frequently faced with complaints regarding education in this province. What are some issues you want to address?

MICHAUD: Well, there are a number of them. There is the public outcry that property taxes have risen; that high education user fees have come into effect; that teacher work loads have increased — all this because the provincial government's share of costs over the last 15 years has decreased by about 20%, forcing the local jurisdictions to increase their share.

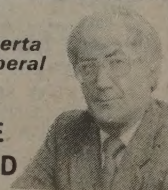

OUR POLICY IS TO:

1. Increase per pupil grant provided by the province.
2. Keep a close watch on the growing hierarchy of administrative personnel in education institutions. This kind of structure limits teacher input which is so vital. Teachers need to be involved in education decision making especially in certain areas such as curriculum development.

Alberta Liberals dedicate themselves to providing excellence in education.

GEORGE MICHAUD

I know George to be a caring person. The government needs to be in touch with people, to show concern for the individual's well-being. I'll help to get him there.
Ralph Steinhauer

The Dewberry School Reunion is June 28 & 29, 1986 for all former Teachers, Students and their Spouse, Bus Drivers, Caretakers and INTERESTED PARENTS for the years 1930 to 1986. Attendance is by Pre-registration only required by April 30th. Registration fees are payable to Phyllis Ewen at the Post Office or mail to Dewberry Reunion Committee, Gen. Del., Dewberry, Alta., T0B 1G0 or Ph. 847-3848 for more information. Signing of the Guest Book starts at noon on June 28 in the Dewberry Hall. There will be a Parade and Banquet and Dance on Saturday with a Pancake Breakfast followed by a non-denominational Church Service on Sunday. Camping facilities are available. Come and enjoy the past and present.

The Alberta Council for the Family is sponsoring "Celebrate Your Family" — a Conference for Families" on May 2, 3 and 4 at the Red Deer Lodge in Red Deer. Registration fee of \$150.00 per family covers accommodation, meals, and conference program. Registration deadline is April 18. For more information call the Family Conference Coordinator at 297-5303 (Calgary) or your local FAMILY & COMMUNITY SUPPORT SERVICES OFFICE. Elk Point F.C.S.S. Ph. 724-3800.

ELK POINT, ALBERTA

From the Sergeant's Desk

By Sgt. Jim Fell
Elk Point RCMP Detachment

Another scam has come to my attention. It seems that someone has decided to go into the furnace cleaning business and go from door to door in small communities in Alberta and offer their services or to sell and install humidifiers. The work is reported as substandard and the cost exorbitant.

I think I write this article at least once a year, this year our community has been subject to three complaints, one dealt with a magazine salesman, and two others dealt with the supplying and installation of vinyl siding for homes. In all cases the fast talking, high pressure salesperson talked members of our community into signing sales agreements and issuing deposit cheques. These cheques were not supposed to be cashed until sometime later but it was found that they were cashed within hours of issue.

As I have said in the past, these people require business permits to be

issued from the Town of Elk Point. Unfortunately this is not the case in the county. If someone approaches you, even a vacuum cleaner salesman or a book salesman, ask for credentials and if appropriate a business licence. Tell them that you are going to check out their validity with the Police and follow-up and phone my office. We would be glad to check them out and a legitimate person would have no problem with that.

My last bit of advice is to shop around, we have learned that local contractors can sometimes beat these people by \$1000.00 or more. **DON'T SIGN A CONTRACT UNTIL YOU HAVE CHECKED OUT THE PRICE.** There is a Provincial Statute that is designed to deal with door-to-door sales, it is called the **DIRECT SALES CANCELLATION ACT** of Alberta. If you require any further information please give me a call.

Note: Keep in mind that our **SAVE GRAD** Program is coming up and **Est. HUSKINS** will be preparing an article for next week's paper.

The Senior Citizens Home Heating Protection Program

Did you receive your \$100 rebate for 1985?

Under the Senior Citizens Home Heating Protection Program, Alberta senior citizen homeowners are entitled to a rebate of \$100 for 1985. Cheques have already been issued to a number of eligible individuals, based on lists compiled by municipalities for the Alberta Property Tax Reduction Program for the 1985 calendar year.

If you were missed in our initial mailing, you are still eligible to receive this rebate for 1985 if you:

- owned and occupied your home for 120 days or more during 1985, and
- are 65 years of age or older, or
- are between 60 and 64 years of age and your deceased spouse was 65 or older at the time of death,
- are a widow/widower between 55 and 64 who is receiving a pension under the Alberta Widows' Pension Act,
- own a mobile home and are not receiving the Senior Citizens Renters Assistance Grant.

Did we miss you? If you qualify, and have not received your cheque, please:

1. Ask for an application form at your local municipal office.
2. Mail the completed form to:
Rebates Branch
Alberta Utilities
3rd Floor, 12323 Stony Plain Road
Edmonton, Alberta T5N 3Y9.
3. For further information, call
Edmonton 422-4098.
(To call toll-free from outside Edmonton, check your local telephone directory under the heading, "Government of Alberta".)

The 1986 rebate will be mailed early in 1987.

Lions Club plans 1986 walk-a-thon

(Cont. from Page 1)

As the television sit-com Mr. Sunshine raises the issue of the visually impaired functioning in everyday life so are the Lions efforts directed at raising the awareness level of Canadians.

"The Elk Point Lions Club is looking for even greater community involvement and support with their 1986 Journey of Sight walk-a-thon," stated Lion President Ron Smith.

"The 1986 Journey for Sight walk-a-

thon will be held on Saturday, May 10, 1986," added Lion Jim Baylis, Walk-a-thon Committee Chairman, "with all participants to assemble at the Community Services Centre at 12:00 noon for registration."

Following a route established for the past walk-a-thons, participants will depart the Community Services Centre at 1:00 p.m. proceed south on 50th Street to Railway Avenue, east across Highway 41 to 50th Avenue and continuing east half a mile past O & M

Services. The course thereon in follows county roads and is designed for a pleasurable Saturday afternoon outing.

The entire course covers a ten mile route which you may run, jog or walk in completing.

As in past walk-a-thons awards of recognition will be presented to the first male and female, oldest and youngest persons, to complete the walk-a-thon at the conclusion of the day. Participants will also be treated to hot dogs and refreshments upon completion of the walk-a-thon at the Community Services Centre for their fine efforts.

The two challenges initiated in 1985 will be renewed in the 1986 Journey for Sight walk-a-thon. The first challenge is to all the oil companies and the oil service industry to raise the highest total of pledges.

The second challenge is the schools in Heinsburg, Frog Lake and Elk Point to raise the most money in behalf of their school.

The company winning the oil challenge will be presented a trophy in recognition of their efforts while the student council of the school winning the school challenge will receive a special Lions Club presentation in recognition of their efforts.

Sponsor sheets are available through the schools, at the Town Office and from any member of the Lions Club. To participate in the walk-a-thon, sponsor a walk-a-thon participant or to obtain more information, please feel free to contact Jim Baylis at 724-3601 or Pat Vincent at 724-3881.

since this is because of a \$2 per capita increase in program grant funding, this should prove to be more of a pleasure than a chore.

An outline plan for a proposed residential subdivision by WRD Borger Construction, north of the Mobile Home subdivision, was approved. The parcel is 26.79 acres in size. Council requested that the lane abutting the environmental reserve, and accesses to this lane, be dedicated as an easement.

Summer office hours for the Town were agreed on. Starting May 5, the Town Office will be open for 8 a.m. to 4:30 p.m., until Labor Day.

The meeting adjourned at the early hour of 9:32 p.m.

Council news

(Cont. from Page 1)

Rate Application by Elk Point Gas Ltd. because of their dissatisfaction with the venue for the rate hearing. The Public Utilities Board, the Minister of Utilities and Telecommunications and MLA John Drobot will be advised of this decision. The hearing is scheduled for May 28 and 29 in St. Paul.

The interim rates set by the PUB were reviewed by Council. A price of \$2.56 per MCF has been approved, which is 21 cents above the present \$2.35 and 35 cents below the \$2.91 applied for by Elk Point Gas Ltd.

The Family and Community Support Services will soon be at work on a revamped budget, but

Energy revenues set record

Revenues in 1985, from the sale of Alberta's energy resources, set a new record of \$25.4 billion, up \$400 million from 1984. Energy industry investment totalled \$7.3 billion during the year, up \$3.2 billion from 1984 — another record. The Energy Resources Conservation Board (ERCB) issued 8763 well drilling licenses during the year — an all time record! The previous high was 7820 licences in 1980. In addition, Alberta's energy industry created 18,000 new

jobs in the province last year. These facts and many more are provided in the 1985 edition of Energy Alberta, ERCB's annual report on the condition of Alberta's energy resources. In addition to the drilling wells, Alberta now has an inventory of 43,000 producing oil and gas wells, 10,768 oil and gas batteries, 170,000 km of pipelines, 447 operating gas processing plants (including 129 sour gas plants), 6 coal-fired electric generating plants, 19 surface and

underground coal mines, 6 oil refineries, and 25 petrochemical plants.

While it will take time for the full impact of recent agreements between the Federal and Provincial Governments to become apparent, the ERCB suggests the signing of the Western Accord, changes to Alberta's royalty and incentive programs, and the signing of natural gas agreements between the Federal Government and the Western Provinces could substantially increase Alberta's annual cash flow. The provincial energy regulator is quick to point out, however, that any such increase is almost totally contingent on the impact the world oil market has on Alberta's energy industry. As of the publication date for Energy Alberta, world oil prices had fallen from US \$28 per barrel in mid-December, 1985, to well under US \$20 per barrel — with no clearly defined bottom price in sight.

Alberta's energy resources, including coal, oil, natural gas, oil sands, and hydro and electric generation, are concisely reviewed in the colourful 44-page publication. A section entitled "Life After Lodgepole" reviews the significant changes made in the practices and procedures for drilling sour gas wells since the Lodgepole blowout in 1982. For example, tougher, more frequent ERCB inspections have been imposed on sour gas drilling rigs. All "critical" sour wells now are inspected several times during drilling operations.

Of the 8763 wells licensed by the ERCB in 1985, 31 were classified as critical sour wells. Despite tough new standards, none of the rigs inspected in 1985 had serious deficiencies, as compared to 11 per cent in 1984.

CAR WASH VISITORS — These youngsters from the Elk Point ECS class got a first hand look at spring cleaning, automobile style, when they visited the Elk Point Gulf Car Wash on Monday.

HUMIDIFIERS FOR HOSPITAL — Wasy Elashuk of the Elk Point Hospital Auxiliary presents Director of Nursing Diane Anderson with one of six new humidifiers purchased by the Auxiliary for use in the hospital.

FROM WAR AMPS TO CHAMPS

Many Canadians rely on The War Amps' Key Tags. When a lost key set, identified by our confidentially coded tag, is dropped into any mailbox, it is sent to The War Amps. We returned more than 30,000 lost key sets for homes, cars and safety deposit boxes last year.

WHAT DO KEY TAGS HAVE TO DO WITH KIDS? Donations to the Key Tag Service assist the many youngsters in our Child Amputee (CHAMP) Program. CHAMP provides myo electric arms and sports limbs for children so they can lead active lives.

AND IN THE FUTURE? When there are no longer war amputees, we will become The Canadian Amputees Foundation. With your support, our legacy to assist amputees will continue.

Lower FCC interest

By Don Mazankowski, M.P.
House of Commons

My colleague, the Honourable John Wise, Minister of Agriculture announced on April 1 that Farm Credit Corporation interest rates are being lowered immediately.

The interest rate charged for five-year fixed interest term mortgages is 11 percent. It has been 11 7/8 percent since last June 10. Loans under the Shared Risk Mortgage program are at 11 1/4, a drop of 1/4 of one percent. The rate for 10-year fixed terms is 11 1/2 percent, down from 12 3/8 percent. Loans with fixed terms of 15 years or more have dropped from 12 1/2 percent to 11 1/2 percent.

Farm syndicate loans for the joint purchase of machinery and buildings by a group of three or more farmers are available at an interest rate of 11 percent. They were 11 7/8 percent.

This is the fourth time in the past 18 months that FCC interest rates have been reduced and are the lowest rates being offered by the Corporation since 1979.

**F. G. Miller
High School**

Bored of Education

"Bored of Education" is written and organized by the Grade 9 Language Arts Option Class as a class project. We would like to extend our warm thank-you to Westmin Resources, this month's sponsor, and as well, we would like to thank last month's sponsor, Mr. John Drobot.

Our new pin!

Our New Pin!! This is an excellent creation by one of F.G. Miller's very own students, Mark Hawkins. This will be F.G. Miller's first school pin!!!

Spring fever

The F.G. Miller is holding a spring fever week between April 21st and 25th. The agenda for the week is as follows: Monday is a Western Day so the students are asked to dress in a western style with beans, wieners and biscuits being sold at the cafeteria. Tuesday is a Cultural Day with a mini food fair being held at noon with a Kubassa eating contest being held at the cafeteria. Wednesday is a 50's Day where students dress up in the 50's style with hamburgers, fries, and milk shakes on the meal menu. There will be a bubble gum blowing contest held for all the greasers. Thursday you dress like your favorite sports hero or cheerleader and the students will make up teams to compete against those of the teachers teams. The meal will be salmon/egg sandwiches, salad, and bran muffins. Friday you can dress like your favorite rock star with an air guitar contest at noon, pizza and cheesecake being sold at noon, and a dance following that night. We would like to thank M.M.M.'s for all the noon food sales and contests.

Report from Europe

Over the past Easter holidays a group of students and two chaperones from F.G. Miller High School travelled to Europe for an educational and fun-filled excursion. We toured three cities: London, Paris, and Amsterdam. In London we saw Buckingham Palace, the Parliament Buildings, Big Ben, Tower Bridge, Westminster Abbey, St. Paul Cathedral and other museums and points of interest. In Paris, we visited the Eiffel Tower, Sacred Heart Church, Notre Dame Cathedral, Le Louvre, where we saw the original Mona Lisa, and a huge cemetery, where Jim Morris, the former lead singer of the Doors is buried. Other interesting sights were the Bastille, the Opera, the Champs-Elysees and the Montmartre. We also took a half day visit to the Palace of Versailles. Our last three days were spent in Amsterdam and its surrounding area. We went to a few museums, the Amsterdam zoo, a cheese farm, which was not far from the city of Amsterdam, as well as a place where they constructed wooden shoes. After we left Amsterdam, we took an overnight ferry back to England where we caught our plane and headed back home!

F.G. Miller High School presents . . .

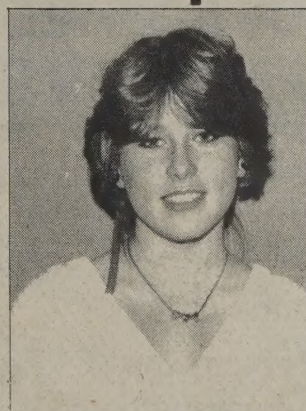

SANDRA MEUNIER

The newest student teacher that we have welcomed to our school is Miss Sandra Meunier. Sandra is presently student teaching for Miss Foley. She comes from Marwayne, and got her schooling from the University of Alberta. There she majored in Social Studies and minored in English. She has been going there for four years now. This is her third student teaching experience. Before here, she taught at Kiscoty and Vermilion. In the spring she is hoping to continue teaching in the St. Paul County.

Miss Meunier enjoys down-hill skiing, and her hobbies are reading, knitting, crocheting and biking.

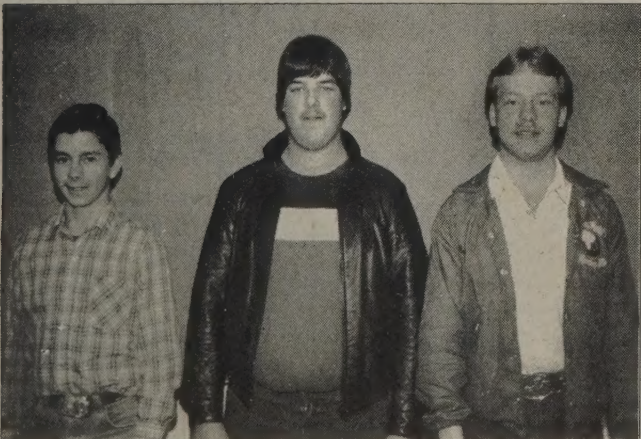

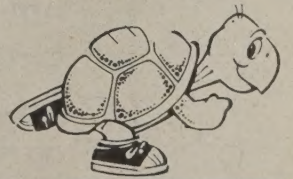

Although leaving on April 25th (since March 24) she really enjoyed her stay here.

Nice to have you!

ORALEE MACKENZIE

Oralee Mackenzie is another new student at the F.G. Miller school. Oralee lives in a family of six. She is thirteen years old and likes to listen to any kind of rock music. In her free time she likes to do craftwork. Her future ambitions are to go to University and possibly try to contact some of her relatives. Oralee comes from Kelowna B.C. and says that she also enjoys Elk Point.

LEFT TO RIGHT — Alton Stone, Darryl Ewasiuk and Kevin Wirsta.

For the week of March 10-14, the following students are "Students of the Week": Darryl Ewasiuk - for working on a small motor in the shop and refusing to let the problems he encountered stop him before he had made the required parts and fixed his motor; Kevin Wirsta - for his leadership on the Junior Boys Basketball

team all year and for improving his marks on assignments; Alton Stone - for his interest and effort with his science Fair robot; Elk Point Peewee Co-op Hockey Team - for their sportsmanship and maturity in beating St. Paul and becoming zone finalists for the second year in a row in Provincial "C" championships.

Students of the week

On March 10 the principal of F.G. Miller High School announced that there would be students of the week. Some students may be awarded for sports, academics, and easiest of all, just for being themselves and by showing ingenuity, perseverance, selflessness, and demonstrating a caring attitude towards others.

Mr. Tredger feels these people should receive the recognition and appreciation that is their due.

The students are nominated by the teachers and chosen by Mrs. Gulayec and Mr. Tredger.

Good Luck to Everybody!

LEFT TO RIGHT — John Hillebrand, Stuart Gervais and Steve Jendruck. Missing: Kelley Curry.

For the week of April 14-18, the following students are "Students of the Week": John Hillebrand - Two perfect 100 percent marks on Accounting 10 tests and one 90 percent in Computer Processing 10; Kelley Curry - 94 percent and 95 percent on tests in Computer Processing 10;

Stuart Gervais and Steve Jendruck - for their persistence and fortitude in learning to ski. Stuart and Steve stayed with the lesson and didn't give up, even though they didn't catch onto the technique right away. They kept trying.

The two billion dollar bubble

The two billion dollars to be made available to agriculture under the recently announced Alberta Farm Credit Stability Program will not address the problems facing agriculture.

The initial assessment of most bankers is that farmers presently in financial difficulties might not benefit from the program. From the scant information available at pre-

sent, unless a farmer proves ability to be able to service a loan under the program and he has the equity to back the loan, he will not qualify. This will eliminate a vast majority of farmers.

It is hoped that the refinancing of existing loans over a longer period at fixed interest will benefit a few.

At a recent joint meeting of the farm groups organized by the Alberta Cow Calf Association, an agreement was reached on two motions.

The first one calls on the provincial government to make funds available under the Alberta Farm Credit Stability Program for refinancing existing loans at five per cent interest with a maximum term of twenty years and without upper limits for the amount of funds required for refinancing.

The second motion dealing with new capital loans calls for a down payment of twenty five per cent before one qualifies for the five per

cent interest rates. Operating loans for agriculture should be made at interest rates not more than five per cent.

Anyway this two billion Farm Credit Stability Program will not address the immediate spring seeding difficulties. The problem could only be addressed by a cash injection in the form of an acreage payment. The farm groups are calling for such an influx of cash without further delays.

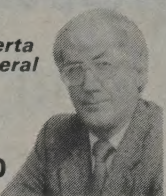

If the government does not seriously address the farm problem and continue to abandon the agricultural economy, we will be losing real jobs. Farmers will be forced to compete for employment in our already saturated urban workforce.

It is critical that rural Alberta will not miss the opportunity of the coming election to vote in the best man that could stand up for the agricultural interests.

For more information contact Alberta Cow Calf Assoc. 724-2296.

GOODIES GALORE — Were in store for these shoppers at the Red Cross Tea, Bake Sale and Sale of Crafts.

GEORGE MICHAUD

George true to a course, remains strongly committed even when the "chips are down". This is the kind of strength we need. Yes, he has my support.

Orest Boyko

Annual Red Cross tea

By Irene Magnusson
The Elk Point Branch of Red Cross held their annual Tea, Bake Sale and Sale of Crafts, on Saturday, April 26th, with considerable success. In addition to the above, a White Elephant table and houseplant display went well.

With so many other things going on over the weekend, the turnout was understandably small, yet sales were fair and a respectable amount was realized. As always, much needed help was offered by the faithful volunteers.

The Home Baking table did well, with \$53.47 realized. Helen Pelech & Violet Smith were in charge. The White Elephant and Plants table, Myrna Fox in charge, yielded \$54.70; the Tea tables were well-filled and, in Margret Modin's care, brought in \$59.75. The Crafts table, filled with the beautiful works of donors, including articles made by Buzzie Pelechovsky, faithful member who has recently been ill, brought the largest returns - \$182.50. Violet McFadyen, branch secretary and chief promoter, was in charge of Crafts. Kitchen detail was looked after by whoever found time.

In former years these Teas were used to raise funds for the Water Safety program, but this has been phased out. The total raised, \$350.42, will make its way to Red Cross coffers, for use in the program now called "CREATIONS" (formerly Aid International and Domestic), to bring food and medical aid to needy humans where ever they may be found.

The Elk Point Branch thank all who assisted to make this effort a success.

VOTER INFORMATION CENTRE

8:15 a.m. to 4:30 p.m., Mon.- Fri.
9:00 a.m. to 4:00 p.m., Saturdays
